The Senators announce partnership with Make Music inc.

5 November 2006

The Senators Drum and Bugle Corps from Eastleigh, Hampshire are pleased to announce a strategic partnership with **Make Music inc.**, the makers of Finale 2007.

Finale is the worlds leading notation software and the partnership will allow the Senators to broaden their outlook to wider performance related opportunities

With the advent of Indoor Percussion shows using electronics, through to small ensemble performance pieces, Finale will allow the Corps to offer a professional result to its members and its customers.

Richard Llewellyn from **Make Music** commented *"Our mission is to enhance and transform the experience of making music, teaching music, and learning music, we are pleased to work with the Senators enhance their reputation as market leaders in the field of Marching Arts"*.

The Senators are very proud to be associated with such a world renowned company and to add them to a very impressive list of suppliers who wish to work with the Corps.
