### **Senators Alumni Parking Lot Party Open Invitation**

Sunday 16th September 2007  
Burton Albion Football Club

7 September 2007

The Senators Drum and Bugle Corps will be hosting an Alumni party in the car park of Burton Albion Football Club during the forthcoming DCUK Championships on Sunday 16th September.

Past Members and Staff along with all Fans and Supporters of the Corps are invited to drop in for a catch up with old friends anytime during the afternoon.

We will have over 580 square feet of covered accommodation so come rain or shine you can be assured a warm and dry welcome.

Throughout the afternoon complementary light refreshments and soup will be on hand as well as a well stocked barbeque.

Video and audio presentations featuring previous year's shows and tour videos will be running, along with hundreds of old photographs, press cuttings and a whole host of Senators memorabilia ranging from old uniforms to tour jackets and other corps artefacts which will be available to browse though to evoke memories of years gone by and give an insight into the history and evolution of the Senators.

If you have ever been part of the Senators or are just a fan curious to know more about the Corps and its history then this is an opportunity not to be missed. Please feel free to come out to the car park and come on in. We are sure there will be something for everyone.
