Senators Crowned European Champions

30 September 2007

Last night the Senators won their first European title at the Drum Corps Europe Championships held in Rotterdam.

The Senators entered into the evening competition with a 1.6 point lead above Jubal following prelims. The corps then maintained their lead and took first place with an increased score of 90.05, breaking the previous DCE record score for the second time that day. Beatrix took silver, with Jubal in third place.

Media from the day will be added in the near future, in the meantime a guestbook has been opened for alumni and other visitors to share their thoughts.
