The Senators Percussion Ensemble

Proudly present their 2006 production

"Have you ever been scared to visit the Dentist?"

That horrible feeling, waking up knowing you have an appointment, the anticipation, the trepidation, the tension builds and builds until finally your name is called and the ordeal begins!!

Join the Senators whilst we take you through your worse nightmares as we explore the pure fear of the dreaded Dentist's Chair.....

The Senators Percussion Ensemble will perform in the UK and Europe during 2006, "Root Canal" will feature a high caliber design team which includes Ben Collins from the USA, John McNamara, Lee Nelson, Neil Hyde, Craig Sherratt, Jon Bilby and Tim Gardiner.
