

senators

The Senators consists of approximately 80 marching members. The Corps rehearses every other weekend during Winter at our Headquarters, the Pavilion on the Park in Eastleigh. In Summer the Corps rehearses at our fantastic facility at Stoneham Lane, Eastleigh.

The Senators have had a very distinguished competitive career in the Corps' 25 year history, we are currently the most successful Drum & Bugle Corps in the United Kingdom.

We pride ourselves on having a very strong Design, Instructional, Management and Support Staff, and this allows our members to gain the best possible experience whilst involved with the Senators.

The Corps has a busy schedule throughout the year. Our aim is always to give our members a mix of Competitive and Performance opportunities, as detailed further in this site. 2009 will see the Corps travel Ireland and mainland Europe as we compete on both the DCUK and DCE circuits.

The Senators are always interested in new members joining our ranks. We also have a successful feeding program with our Junior Corps to introduce the youth of Eastleigh to the Marching Band activity, where they train them from scratch which after time allows them to move up to the Senators.
