

senators cadets

The Senators Cadets cater for the youngest end of our Organisation. The Cadets were formed at the end of 2004 and the goal behind it was to create a niche market for the real youngsters of Eastleigh. The Cadets currently have a membership ranging from the 6-9 age group.

The Cadets are all about fun!!!! Yes they will learn how to play an instrument or how to spin a flag, yes they will have some self discipline training, however the main goal of the Cadets is to offer its members the chance to have a good time and make friends.

The Cadets rehearse on every Thursday at our headquarters at the Nightingale Centre in Eastleigh and we currently have a membership of 18, which is very pleasing for us.

Run by a very dedicated team of volunteers and helpers who have all come through the ranks of the Senators, the Cadets are pleased that as its members grow they can strive to march in our Junior Corps to carry on their training and eventually reaching the main Senators Corps.
